

Material: Aluminium A356

Notes: Table fitment is for Soba 4" rotary table which gives centre height of 73.0mm above the table base. The 28mm fixing pitch is to suit the Asian Mini Mill (12mm wide slots).

Base fixing bolts are 3 of M10x30 cap screws. Rotary fixing bolts are 2 of M8 x 30 cap screws.

Release 2: Base mounting bolts now M8 instead of M10
